

Sun Park

CONFERENCES & EVENTS LIKE YOU HAVE NEVER SEEN BEFORE

SOPHISTICATED GRID

Sun Park is built around a unique grid design. Water, power, plumbing, internet – all the amenities your event needs are easily accessible in the grid. Hassle free convenience is what the Sun Park grid is all about!

FLEXIBLE INFRASTRUCTURE

Indoor or outdoor event; single, double or triple story venues; marquees, exhibition stands or staging for a live event. Transform the Sun Park into an endless amount of possibilities for a bespoke event experience! It's all made possible by the permanent modular design of the Sun Park infrastructure.

SWIFT & DIVERSE

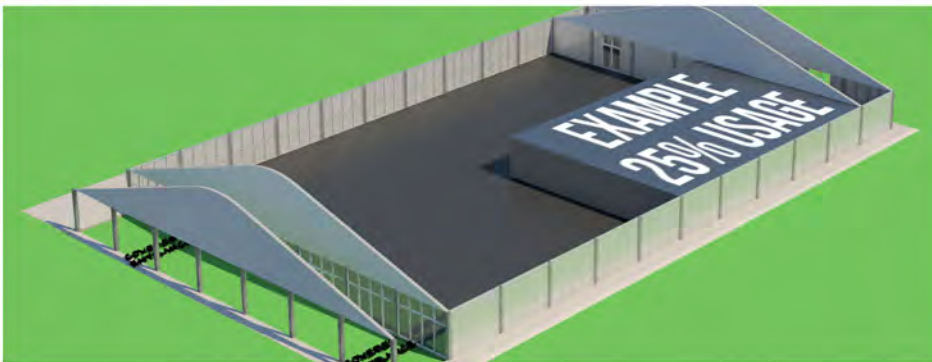

Any type of setup in less time! The sophisticated grid and permanent modular design, means you can bring an event of varied size or type to life quickly and efficiently!

COST EFFECTIVE

Having everything you need for setting up and running your event in one place
