The Palace Sun City

IT'S TIME TO BE INTRIGUED BY THE ANCIENT

From its inception in 1992, The Palace of the Lost City, a Leading Hotel of the World, has enthralled, and amazed visitors from all over the globe. This addition to the Pilanesberg landscape is dwarfed in years by the 1,300 million year old extinct volcanic site on which it is built.

The 55,000 hectare, malaria-free Pilanesberg National Park, borders on the Sun City complex. It was opened in 1979, and is to date the largest game re-settlement project in the history of South Africa. The Mankwe Lake, a game draw-card, marks the centre of the ancient volcano.

The term "Super Seven" was coined for the Park, as cheetah and wild dogs can be found, in addition to elephant, lion, leopard, rhino and buffalo. The diverse vegetation supports a wealth of other mammals, bird, reptile, and tree species.

Danie de Jager's bronze wildlife sculptures in the grounds of The Palace of the Lost City, pay powerful homage to these living treasures.

Explore the option of a guided game drive or a hot air balloon safari for unforgettable viewing opportunities.

The Royal
LIVINGSTONE
VICTORIA FALLS ZAMBIA

IT'S TIME TO BE STILL IN THE PRESENCE OF MAJESTY

The local tribespeople call it Mosi-Oa-Tunya – “The Smoke That Thunders”.

The fine spray of the mighty Victoria Falls may be seen like a cloud across the bushveld, throwing rainbows hundreds of feet in the air. The Victoria Falls, one of the Seven Natural Wonders of the World, forms part of Livingstone’s Mosi-Oa-Tunya National Park, situated on the upper reaches of the Zambezi River, and is a UNESCO World Heritage Site. On the forested banks of the Great Zambezi River, upstream of the mighty cataract where it thunders into the Batoka Gorge, is The Royal Livingstone, the pride of Zambian hospitality. In its cool lounges and shaded veranda you will encounter the elegance and luxury of an earlier bygone era.

“Scenes so lovely must have been gazed
upon by angels in their flight.”

The Royal Livingstone is a serene and gracious refuge from the heat of the African sun. The luxurious rooms with their comfortable furnishings are tastefully decorated in the soft earthy tones of the bushveld, with spreading views of the river and the acacia forest. Guest may pass lazy days on the magnificent sundeck overlooking the great Zambezi as it flows relentlessly to the Falls and enjoy fine dining in the restaurant or on the long veranda overlooking the gardens. In the warm smile of your personal butler, or the simple luxury of your cane chair, you will find an Africa that has all but vanished.
