THE BUFFET

## **IMPORTANT INFORMATION:**

All our food is prepared in a kitchen where nuts, gluten and other known allergens may be present. Please note we take caution to prevent cross-contamination, however, any product may contain traces as all menu items are produced in the same kitchen. Our dish descriptions do not include all of the ingredients used to make the dish. Therefore, if you have a food allergy please speak to Management before ordering or booking.

For event bookings, we require Special Dietary requirements prior to the event date. Full allergen information is available. Management can advise of all ingredients used.

Feel free to contact us with any questions or further information. Guests with special dietary requirements are welcome to contact us directly to discuss their needs. If you have any allergies or food intolerance, always chat to our Management before consuming our food.
